Dear Chairman DeFazio and Ranking Member Graves:

I am requesting funding for Beaverton Downtown Loop: Phase 1 Improvements in the surface transportation reauthorization legislation.

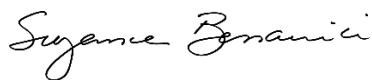

The project sponsor for this project is the City of Beaverton and the project is located at Southwest Watson Avenue, Beaverton, Oregon, 97005.

The funding is designated for improving walking, biking, and transit on two downtown arterials, Southwest Hall Boulevard and Southwest Watson Avenue, in downtown Beaverton.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: safety improvements, including wider sidewalks and protected bike lanes; enhanced transit access; improved mobility and access for racially diverse and predominantly low-income residents.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Suzanne Bonamici  
Member of Congress
