Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Upgrade and Expand the Coastal Margin Observation and Prediction (CMOP) Program in fiscal year 2022. The entity to receive funding for this project is Columbia River Inter Tribal Fish Commission (CRITFC) located at 700 NE Multnomah Street, Suite 1200, Portland, Oregon, 97232.

The funding will be used to upgrade and expand observational equipment, modeling tools, and improve the CRITFC data portal to improve management of the Columbia River estuary and coastal margin and support regional goals including salmon recovery.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Suzanne Bonamici
Member of Congress
