The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
2413 Rayburn House Office Building,

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the CMOP Columbia River Mouth Multi-Depth Buoy Replacement project in Fiscal Year 2027. The entity to receive funding for this project is Columbia River Inter-Tribal Fish Commission (CRITFC), located at 700 NE Multnomah Street, Suite 1200, Portland, OR 97232. The funding would be used to replace an environmental monitoring station at the mouth of the Columbia River. The project is an appropriate use of taxpayer funds because the replacement station will restore an important source of environmental data used for fisheries management and coastal planning.

The project has a federal nexus because the funding provided is for purposes described in the Coastal Zone Management Act of 1972 (16 U.S.C. § 1451 et seq.).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Suzanne Bonamici  
Member of Congress
