The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
2413 Rayburn House Office Building,

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Wastewater Treatment Plant Replacement in Fiscal Year 2027. The entity to receive funding for this project is the City of Warrenton, located at 99 N Main Ave., Warrenton, OR 97146. The funding would be used to upgrade the city's wastewater treatment plant, which has reached capacity due to rapid growth in the region. The project is an appropriate use of taxpayer funds because it will protect water quality in the Columbia River estuary while allowing Warrenton to expand housing and support local economic activity, including nearby federal and maritime infrastructure like the Port of Astoria and U.S. Coast Guard facilities.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Suzanne Bonamici
Member of Congress
