Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Beaverton Senior Housing and Community Space Construction Project in fiscal year 2025. The entity to receive funding for this project is the City of Beaverton, located at 12725 SW Millikan Way, Beaverton, Oregon 97005. The funding would be used for construction of the first-floor community space and tenant space improvements with inflation contingency. The project is an appropriate use of taxpayer funds because it supports low-income elderly community members and low income families in need of services, like early childhood education.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Suzanne Bonamici
Member of Congress
