Dear Chairman Cole and Ranking Member DeLauro

I am requesting funding for the St Helens 2M Gallon Reservoir Project in fiscal year 2025. The entity to receive funding for this project is the City of St. Helens located at 265 Strand St., St Helens, Oregon 97051. The funding would be used for the replacement of an existing 94-year-old reserve that has served well past its design lifespan. The project is an appropriate use of taxpayer funds because it is replacing failing critical infrastructure, and the new reservoir will support new and existing housing along with economic development opportunities and job creation in rural Columbia County.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Suzanne Bonamici
Member of Congress
