The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Clatsop County Public Safety Equipment and 911 Operations Initiative in fiscal year 2025. The entity to receive funding for this project is Clatsop County, located at 800 Exchange Street, Suite 410, Astoria, Oregon 97103. The funding would be used for the replacement of an end-of-life public safety communications system and necessary upgrades to provide Clatsop County's eighteen law enforcement and fire agencies with a reliable, resilient public safety radio system. The project is an appropriate use of taxpayer funds because completing these upgrades are crucial to the County's efforts toward resilience from the effects of climate change and natural disasters.

The project has a Federal nexus because the funding provided is for purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34U.S.C. § 10381(b)(8)).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Suzanne Bonamici
Member of Congress
