Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Broadway Bridge Deck Replacement Project in fiscal year 2025. The entity to receive funding for this project is Multnomah County, located at 501 SE Hawthorne Blvd, Portland, Oregon 97214. The funding would be used for the replacement of the failing bridge deck (driving surface) on the movable portion of the Broadway Bridge including replacement of the Streetcar tracks in that portion of the bridge deck. The project is an appropriate use of taxpayer funds because it will secure safe access to the bridge without continual interruptions to the traveling public while crews perform repairs, and reduce on-going maintenance costs for the County and its taxpayers.

The project has a Federal nexus because the funding provided is for purposes authorized by Highway Infrastructure Projects: 23 USC 133.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Suzanne Bonamici  
Member of Congress
