The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Engineering for Replacement of Breakwall/Seawall in fiscal year 2025. The entity to receive funding for this project is the Port of Garibaldi, located at 402 S 7th St, Garibaldi, Oregon 97118. The funding would be used to complete the engineering of this project needed to get the port to shovel ready. The project is an appropriate use of taxpayer funds because the aged seawall/breakwall needs to be replaced to meet current seismic standards. Seismically stabilizing the failing seawall will allow for continued commerce and safer roadways.

The project has a Federal nexus because the funding provided is for purposes authorized by the Rivers and Harbors Acts of July 25, 1912, March 2, 1919, March 3, 1925, June 30, 1948, Sept. 3, 1954, and Oct. 27, 1965.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Suzanne Bonamici  
Member of Congress
