Dear Chairwoman Granger and Ranking Member DeLauro

I am requesting funding for the Pier 2 West Rehabilitation project in fiscal year 2024. The entity to receive funding is the Port of Astoria, located at 422 Gateway Ave Suite 100, Astoria, Oregon 97103. The funding would be used for preconstruction activities including construction consultant services, engineering, and permitting and mitigation expenses. The project is an appropriate use of taxpayer funds because it will support necessary improvements and rehabilitation of a critical piece of infrastructure for the Port and the region's economy.

The project has a federal nexus because the funding provided is for purposes authorized by title 46 of the United States Code Section 54301.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Suzanne Bonamici
Member of Congress
