The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
2413 Rayburn House Office Building,

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Construction of Warehousing, Distribution, and Cold Storage Space project in Fiscal Year 2027. The entity to receive funding for this project is the Port of Tillamook Bay, located at 4000 Blimp Blvd, Tillamook, Oregon, 97141. The funding would be used to construct new warehouse, cold storage, and distribution space in the port's industrial park to support business growth and regional economic development. The project is an appropriate use of taxpayer funds because it will directly support job growth and strengthen the local economy in rural Tillamook County, where opportunities for large-scale industrial development are limited

The project has a federal nexus because the funding provided is for purposes authorized by 46 USC 54301.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Suzanne Bonamici
Member of Congress
