Dear Chairwoman Granger and Ranking Member DeLauro

I am requesting funding for the Transportation Decarbonization Resource Hub in fiscal year 2024. The entity to receive funding for this project is Portland State University located at 1825 SW Broadway, Portland, Oregon 97201. The funding would be used to support the research and development of tools to assess the benefits of transportation decarbonization activities. The project is an appropriate use of taxpayer funds because it will help government agencies, tribal governments, and community partners better understand and prioritize transportation decarbonization investments to advance equitable mobility and resilient communities in Oregon.

The project has a federal nexus because the funding provided is for purposes authorized by section 272 of title 15, United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Suzanne Bonamici  
Member of Congress
