The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
2413 Rayburn House Office Building,

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Cornelius Pass Pipeline Project in Fiscal Year 2027. The entity to receive funding for this project is the Tualatin Valley Water District (TVWD), located at 1850 SW 170th Ave, Beaverton, Oregon, 97003. The funding would be used to update and finalize design and secure required permits to get the Cornelius Pass Pipeline project ready for construction. The project is an appropriate use of taxpayer funds because, as part of the broader Willamette Water Supply System, this project expands access to a seismically resilient, diversified water supply that is designed to withstand a major Cascadia Subduction Zone earthquake and other natural disasters.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Suzanne Bonamici
Member of Congress
